(NON-GOLFERS WELCOME TO DINNER)

Dear Member,

We are delighted to confirm that the annual golf meeting will once again take place on Thursday 13th July. This year the event is being broadened and we are delighted that the RBL and ABAF are on board. It is very much hoped that there will be a good turnout to make the day a success and consolidate the event as one that is looked forward to by everyone in the British Community. We are privileged to be playing on the championship course at The Golf de St Germain at a special “members guest” green fee well below the public rate.

Non-playing members and their guests are always welcome for the evening to take advantage of the opportunity to dine in the convivial surroundings of the clubhouse. The price for dinner is fully inclusive of wines and coffee and I am sure that the Club will look after us very well.

We shall again be fixing all tee-off times in advance of the day. This will facilitate everyone’s planning and hopefully assist quicker play on the course. Needless to say this decision requires your cooperation to submit your entry form by the due date and your attention to ensure being on time to play. Please note that the club is likely to be submitting returned cards to the Fédération Française de Golf for handicap purposes.

Please be kind enough to return your completed participation form as soon as possible and by 30th June **at the latest**. The tee off times will be available from Tues 5th July from the golf club (see tel number above) and I shall e-mail the list to all those who provide me with their details.

Looking forward to seeing you all

Yours sincerely
Jon Cooper
