My vision; Go back to running the club in a frugal way, slowly establishing SAC as the first choice for those seeking the best private club experience in our area

My achievement; for the past 18 months I have helped repair a deeply-rooted, broken system within the club

My pledge; focused and determined to always do the 'right thing' for our club, all I have to offer is energy, integrity and a hard-work ethic

Core Values (to be reflected by members, board, and staff) ;

- *Integrity* at all times

- *Accountable* for our actions; mistakes will happen, but they should not be repeated

- *Sound financials*

- *SAC's heritage matters*: learn from the past to build momentum for the future

Favourite quote;

"Nearly all men can stand adversity, but if you want to test a man's character, give him power."

Abraham Lincoln
