How background will help the SAC

- 🏆 Partner in strategy consulting (ADL, Booz & Company)
- 🏆 Over 20 years designing & implementing performance improvement plans and governance for organisations
 - Over 200 engagements with international companies
 - Led \$100 million turnover EMEA consulting business
 - As Managing Director, led turnaround of France office; from least profitable to second-most profitable European office Board Member of charity
- 🏆 At SAC deployed this experience as Cricket Treasurer since 2015. Revenue increased 115% while costs fell 8% (2015-2019), remaining cash-flow positive for the Club in Covid crisis. All accounts since 2015 are available at <https://www.saclub.org/sports/sac-cricket> (please check it out as an example of the transparency Members should expect from the MC)
- 🏆 Spent summer developing draft 5-year Club strategy. We would welcome all Members to review and provide input; please reach for rich1665@icloud.com if you want to provide input. This work underpins our team's program for the Club, which will restore finances, our "shared second home" culture and our international identity. We look forward to sharing with you
