- Faculté de Pharmacie Paris XI
- CES (Certificats d'études spéciales) Bacteriology, Virology, Parasitology, Immunology, Hematology

Sports: Tennis, fitness, jogging , ex-field hockey player for SAC team

Personal life: Married: One son and two daughters (all bought up at the Club), five grandchildren

- British mother and Australian son
- Biologist
- Team manager (hematology, transfusion and blood bank) in the hospital laboratory

How my background will help the SAC

- 🏆 Member of House Committee for 10 years
- 🏆 Long term member of Club since birth (1954)
- 🏆 Keen on keeping the Club's tradition as an international sports and family club
- 🏆 Now recently retired, can devote some time to SAC

All for team spirit , for me the only way to make positive decisions and regain conviviality and good sport spirit to attract new members and let all members enjoy this lovely place ...
