Education: MA Social Sciences, University of Turku; Erasmus at University of Sussex

Sports: Tennis, running, swimming, gym

Personal: Married to Jari (FI) with two kids, aged 15 (Squash, Tennis) and 12 (Tennis)

How my background will help the SAC:

- 🏆 15 yrs statistician at OECD and Statistics Finland: data analysis, strong computer skills
- 🏆 Entrepreneur
 - Minimaraton imported Baby Joggers to Finland from the USA: understanding of business environment
 - As autoentrepreneur in France led coding and robotics courses for kids and teens
- 🏆 Lived and worked in 5 countries (Finland, France, Pakistan, Tanzania, UK): diplomatic skills
- 🏆 Ran SAC computer coding for teens
- 🏆 Studied coding and app development
- 🏆 Family members play squash and tennis
- 🏆 As a mother of two teenage children and a coding and robotics tutor I'm interested in improving the kids' activities at SAC.
- 🏆 My strong background in statistics and computer skills can help analyse data bases and develop the web presentation of the Club. For my family the club is a place to meet people with diverse backgrounds beyond school and work. As an elected member I would advance the Club's amiable ambience and multicultural inclusiveness
